Business Partner Spotlight - Toyota North American Parts Center California (NAPCC)

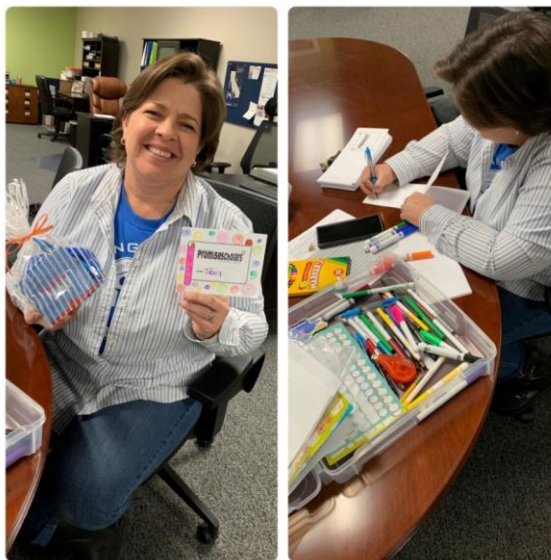

Toyota North American Parts Center California (NAPCC) has been a supporter of students in the community for many years. NAPCC provides leadership, volunteers, and funds to the local community.

As a company, Toyota seeks to expand access to opportunities that improve people's lives and strengthening the communities where they are located through monetary support and team members who serve as volunteers sharing Toyota know-how. Toyota's corporate giving and community engagement is focused on organizations that support the following strategic pillars: workforce readiness, inclusive mobility, financial inclusion and community resilience including environmental sustainability.

Starting in 2017 NAPCC began co-hosting the annual Promise Scholars Golf Tournament which raises funds to support community college visits for all 2,100 Ontario-Montclair School District 5th graders as well as scholarship for students attending local partner colleges. Last year 160 scholarships were distributed.

Thank you to NAPCC and our Presenting 2019 Promise Scholars Golf

Volunteer Spotlight - Tracy Morales

Tracy is a long-term volunteer that assists us with responding to 5th grade student's college questions (that they ask after they visit a community college campus). She is a Mt. SAC, Cal Poly Pomona and CSUSB alumni and all three of her children attended Ontario-Montclair School District schools. Tracy has been a resident of Ontario for almost 20 years and fully supports the work that Promise Scholars is doing in the community.

Thank you for your consistency and dedication to the students of OMS
